PROFILE

Hasan has extensive experience in short films, music videos, festivals, and social projects. For over a decade, he has been actively engaging with the animation industry, attending festivals, networking, and building a strong global network. Passionate about independent filmmaking, he focuses on creating short films that reflect his artistic vision. His master's graduation film has been selected for over 20 festivals worldwide, including prestigious events such as Annecy, POFF Shorts, and Anima Brussels.
